To Whom It May Concern:

My full support is behind Adaptive Homes, CDC. They have been doing wonderful and patriotic work throughout the State of Ohio. I support them in their efforts and hope they can continue to provide permanent housing/ homeownership for our wounded and disabled military veterans and their families. This project is of utmost importance to our military community as it provides for all the heroes who have provided so much for this great nation.

With many other philanthropic undertakings Adaptive Homes, CDC is currently involved in, the benefits to our wounded and disabled military veterans and families, is beyond over due.

I wish them only success in their future endeavors and look forward to working with them to help provide safe and accommodating housing.

Best Regards,
