To whom it may concern,

I am writing to recommend Adaptive Homes, CDC a tax deductible nonprofit organization. I have been working with Adaptive Homes, CDC for 2 years and I am confident in Adaptive Homes, CDC's ability to accomplish goals they set for themselves as well as provide unique services to our Wounded and Disabled Veterans and Individuals with disabilities. The Directors knowledge and attention to detail have aided in providing tremendous services even through this recent recession.

I feel confident in recommending Adaptive Homes, CDC. They are not only thorough, but also easy to work with and always willing to take the time to discuss concerns and respond to questions.

If you have any further questions, please feel free to contact me.

Regards,

James Monsul
